

Walk-Audit Scavenger Hunt

Student's Name: _____

Directions: In your neighborhood, there are sure to be streets that are missing some things that would help you feel safer walking, playing or riding your bike. Take a walk around your community and fill in the blank spaces with names of streets that fit the description!

1. Name a street that is **missing a sidewalk:** _____
2. Name a street that **needs a better sidewalk:** _____
3. Name an intersection that is **missing a crosswalk:** _____
4. Name a street that is **missing a bike lane:** _____
5. Name a street where **bicycle parking racks** should be added: _____
6. Name a street with **broken/missing street lights:** _____
7. Name an intersection you think **needs a pedestrian signal:** _____
8. Name an intersection **missing a sidewalk curb-ramp:** _____
9. Name a street you think needs a **median island:** _____
10. Name a street where you think the **traffic needs to be slowed:** _____
11. Name a street that has a **really nice sidewalk:** _____
12. Name a street that has a **good crosswalk** you feel safe using: _____
13. Name a street with a **pedestrian signal with a timer:** _____
14. Name a street with **good lighting:** _____
15. How do **you think** that fixing these problems will make your community safer for walking and biking? **Why** is that important to you?

Definitions

- **Bike Lane** – *a part of a road marked off or separated for the use of bicyclists*
- **Bicycle Parking Racks** – *an object to which a bicycle can be securely attached*
- **Pedestrian Signal** – *a light at intersections that tells you when it is safe to cross the street*
- **Sidewalk Curb-Ramp** – *when the sidewalk meets the street at a cross walk so that bikes, wheelchairs and strollers can roll up onto the sidewalk*
- **Median Island** – *a defined area between traffic lanes for pedestrians to stand within an intersection area*
